

WONALANCET OUT DOOR CLUB

August 9, 1974

To all members and friends of W. O. D. C.

Mark your calendar now Friday evening, August 23rd., 7:30 P.M.
Wonalancet Chapel —

Of chief interest will be our speaker, C. Francis Belcher, Executive Director of the Appalachian Mountain Club, who has for many years been at the center of AMC's activities concerning mountains, trails, safety, environmental matters in New Hampshire and New England. He will discuss areas of mutual interest to AMC and WODC. We welcome Fran Belcher and this opportunity to maintain ties between fellow mountain clubs; we urge you to attend and bring guests, too.

Following the talk and question period we have been invited to The Antlers for refreshments where our hosts will be the Semmes, Ainsworth Randall families.

This is to be only the first half of our annual meeting. On the 23rd. we hope to select a date, within a week of the 23rd. to discuss old and new business and any other matters of concern to the club and its membership. Your officers feel that there is too much to discuss to combine the business meeting with Fran Belcher's talk; thus we'll try it this way in a double header.

As usual this notice comes with the little reminder from the treasurer that membership renewal time is at hand — \$ 3.00 per person, \$ 5.00 per family, and of course additional contributions are always welcome.

[Payable to: WODC, c/o M. W. Chandler, Wonalancet, N.H. 03897,
after Labor Day; 16 Orchard Street, Laconia, N.H. 03246.]

Those of you who sent in checks after the spring letter may disregard this dues reminder.

Please plan to come the 23rd. and bring your friends. Also consider items you would like to discuss at the subsequent business meeting.

George E. Zink, President

Martha W. Chandler, Secretary - Treasurer
